## Description

### 101 INC 3D PVC Patch "Zero Fucks Given" #8003

The **101 INC 3D PVC Patch "Zero Fucks Given" #8003** is a bold morale patch designed for tactical gear, backpacks, jackets or airsoft equipment. Made from durable PVC with a raised 3D design, it combines a rugged look with long-lasting wear resistance.

The patch features a **hook and loop backing**, making it easy to attach, remove or swap depending on your gear setup. Its round format and eye-catching graphic make it a standout accessory for users who like expressive tactical styling.

## Key Features

- **Durable PVC construction** with raised 3D design
- **Hook and loop backing** for easy attachment

## About 101 INC

**101 INC** is a well-known brand in the tactical and airsoft world. The brand focuses on practical gear and accessories for both dedicated airsoft users and outdoor enthusiasts, offering equipment designed for active use and adventurous environments.

## FAQ

**How is the patch attached?** loop backing, so it can be attached to compatible panels on bags, jackets, caps or tactical gear.

**Is the patch flexible or embroidered?** design, not an embroidered patch. PVC is generally more resistant to moisture and dirt.

**What size is the patch?** approximately 8.7 × 8.7 cm.

## Glossary

- **PVC patch:** A patch made from flexible plastic material, known for durability and easy cleaning.
- **Hook and loop:** Fastening system commonly used for removable patches on tactical gear.
- **Morale patch:** Decorative patch often used to personalize equipment or express attitude and identity.
