Description

Rite in the Rain Tactical Notebook 3" × 5"

The **Rite in the Rain Tactical Notebook 3" × 5"** is a compact, fully waterproof all-weather notebook designed for reliable note-taking in rain, snow, mud, or high humidity. Its **acrylic-coated all-weather paper** remains usable even when wet, making it a trusted tool for military, outdoor professionals, and field use.
The universal page pattern supports both written notes and scaled sketches, while practical reference information such as rulers, conversion tables, and map scales are printed on the durable PolyDura cover.

Aim of the Product

This notebook is designed for dependable field documentation where ordinary paper fails. Ideal for tactical use, outdoor activities, expeditions, construction, logistics, and emergency services.

Key Features

- 100% waterproof all-weather paper
- Writeable when wet with pencil, ballpoint pen, or marker
- Universal page pattern for notes and scaled drawings
- Top-mounted spiral (Wire-O) binding - rust resistant and impact resistant

- Durable PolyDura cover with rounded corners
- Printed rulers, conversion tables, and map scales on cover

Optional tactical notebook covers made from **CORDURA®** are available separately.

Package Contents

- 1 × Rite in the Rain Tactical Notebook 3" × 5"

FAQ

Can I write on the pages when they are wet?
Yes. The paper is designed to be written on even in rain or high moisture conditions.
Which writing tools work best?
Pencil and permanent marker work. Waterproof inks, especially Rite in the Rain pens, provide the best results.
Is the binding rust-proof?
Yes. The Wire-O binding is rust resistant and designed for harsh environments.

Glossary

- **All-weather paper:** Specially coated paper that resists water and remains usable when wet.
- **Wire-O binding:** A durable metal spiral binding designed to resist deformation.
- **PolyDura:** A tough, flexible synthetic cover material resistant to moisture and abrasion.
