Description

5.11 Stryke® Men's Regular Fit Cargo Pant

The **5.11 Stryke® Pant** is a proven, field-tested solution for professionals who need **durability, flexibility and reliable everyday performance**. Designed for demanding environments, it combines mechanical stretch fabric with a practical pocket layout and reinforced construction.

Flex-Tac® Ripstop Fabric - Strength with Mobility

The Stryke® Pant is made from **Flex-Tac® mechanical stretch ripstop fabric**, developed by 5.11®. It provides freedom of movement without relying on elastane, maintaining durability and long-term shape retention.

- Mechanical stretch without elastane
- Highly breathable and durable
- Improved color fastness and wear resistance
- Ripstop structure reduces tearing

DWR Finish - Protection from Dirt and Moisture

A **DWR (Durable Water Repellent) coating** helps protect the fabric from dirt, moisture and stains, extending usability in unpredictable conditions.

12-Pocket Functional Layout

The Stryke® Pant features a **purpose-built 12-pocket system** designed for efficient organization of tools and everyday carry items.
