Description

Product specifically recommended for the care of all AKU shoes and boots: the shoe care cream protects and revives the AKU leathers. It softens outdoor footwear, providing waterproofing protection. Regularly treated footwear keep their shape, preserving them from cracking. These product, all based on natural compounds, are easy to apply and do not alter the qualities of leathers and fabrics.

Instructions of use:

Remove dirt, apply cream with a sponge, let it soak through. Polish with brush. Special attention should be given to the seams.

Made in Italy.
