Description

Description

Handy and versatile

The professional torch FUTURE T50F from ANSMANN has the optimum size housing for handling with a non-slip surface. With an end cap switch the lamp is ideal for rough, single handed operations.

Extremely light with seamless focussing

Equipped with the latest LED technology from TOSHIBA, focusing is seamless, from a precise point to an even floodlighting.

Compact, strong and high quality

At just 92mm long this powerful little torch has a brightness up to 60 lumens, with lighting time up to 2,5 hours. On full zoom the light can reach a distance of up to 75 meters.

It is delivered with a removable belt clip and an ANSMANN Alkaline AA Battery.
