## Description

### Description

#### Handy and versatile

The professional torch FUTURE T50F from ANSMANN has the optimum size housing for handling with a non-slip surface. With an end cap switch the lamp is ideal for rough, single handed operations.

#### Extremely light with seamless focussing

Equipped with the latest LED technology from TOSHIBA, focusing is seamless, from a precise point to an even floodlighting.

Compact, strong and high quality

At just 92mm long this powerful little torch has a brightness up to 60 lumens, with lighting time up to 2,5 hours. On full zoom the light can reach a distance of up to 75 meters.

It is delivered with a removable belt clip and an ANSMANN Alkaline AA Battery.

Instructions for use.
