ORDER CONFIRMATION

Regularly clean threads and O-rings and apply suitable grease to maintain water resistance. Avoid storing batteries inside the flashlight for long periods.

Important Safety Information

- High brightness modes may cause heat - avoid unattended use
- Use only high-quality 18650 batteries with sufficient discharge current
- Do not charge below 0°C
- Use lock-out mode during transport

FAQ

Why choose warm light version? Ability in fog, rain and forest environments, making it ideal for hunting.

Is this suitable for weapon mounting? Recoil resistance and includes mount and remote switch.

Does the set include 6 batteries? Yes are included.

Glossary

- **Lumens:** Total light output
- **Hotspot:** Bright central beam area
- **Spill:** Surrounding wide light
- **IP68:** High level water and dust protection
