Multi flashlight lineup flagship product – brightness like never before

Wizard C2 Pro Max is the newest model of the demanded all over the world multifunctional Armytek Wizard lineup. Not just bright, but astonishing light output of 4000 lumens.

Wide flood light of the flashlight is optimal both for operating at a close distance and for highlighting large spaces. Suitable for service and industrial works, outdoor activities or sports.

The main advantages of the flashlight are wide beam angles 110°:150° and an even smoother transition between hotspot and side spill. Combined with extended runtimes thanks to the larger capacity 21700 Li-Ion battery, these features make the use as convenient as possible. Fast magnetic USB charger charges the flashlight in just 5 hours 20 minutes.
