Description

Thin, lightweight and stylish Armytek Zippy is now 3 in 1. Keychain multi-flashlight Zippy Extended Set, which has no equivalents, is suitable for daily use, services or camping. Durable steel ring allows to carry the flashlight with keys. Removable stainless steel clip is securely attached to clothing or belt. Rotatable 360° headmount with magnet and plastic clip for cap make it possible to use the flashlight as a headlamp. Strong magnet in the mount securely holds the flashlight on metal surfaces. Built-in Li-Pol battery is easily charged with Micro USB cable.

- 160 lumens of light, wide beam angle of 110°.
- Beam distance up to 15 m.
- Indication of battery charge level and charging process.
- IP67 standard: highly reliable protection from dust and submersion to 1 meter for 30 minutes.
- Possibility to charge the device with Micro USB cable and built-in Li-Pol 100 mAh battery.
