Brighter than you ever imagined

ZIPPY Extended Set WR is the version of the most compact Armytek flashlight equipped with white and red LEDs. Superbright for the given flashlight size red light is 2 times superior to the most powerful keychain analogs.

The set includes innovative 360° rotatable headmount with strong magnet and plastic clip for mounting on a cap. Thanks to this original solution Zippy ES WR is suitable for daily application, car service, repairs, camping and any other day-to day or professional use.

Keychain light

- Ultrastrong metal keyring

Headlamp
