### Description

Universal military backpack with two attachable pockets and the V2 Plus carrying system. Based on the predecessor model, the TT Modular Trooper Pack offers an optimized arrangement and new functional features. The main compartment opens completely and the special zipper guides make it possible to use the pack as a top loader. The back panels of the front and main compartments feature MOLLE hook-and-loop for customized loading, and both front pockets have zipper mesh pouches to organize your gear. Laser-cut MOLLE on the front and sides allow you to add pouches or extra gear as you see fit. The backpack has an integrated rain cover and a removable hip belt that can also be used as a Warrior Belt. The back panel can be adjusted to different back lengths.

- Volume main backpack 45 l, upper front pocket 2 l, lower front pocket 8 l
- V2 Plus Carrying System
- Side compression
- Durable, reinforced handle
- Front and top opening lid with access to main compartment
- Hydration system compatible
- Integrated rain cover inside the bottom compartment
- Side pockets
- Gear loops on the front
- Antenna ports into the main compartment
