Description

Have you ever, during backpacking, had to search your pockets to find your map, compass or any other small essential? Have you ever thought "it would be awesome to have everything in one, easily accessible place"? If yes, then our Chest Pack NUMBAT is something perfect for you. Thanks to it you are able to carry all you essentials on your chest, while numerous external and internal pockets help you have everything organized. Additionally, one of the internal walls is covered with soft velour compatible with VIS® inserts. Internal, detachable organizer with transparent map pocket makes it easy to navigate. Limiters made of durable cord provide up to 90 degrees opening angle. Design of the minimalistic, yet comfortable harness will not interfere with any type of backpack shoulder straps. External mounting points, compatible with MOLLE/PALS give you possibility to expand the chest pack according to your needs.
