Description

Bike-X-lube lubricates chains, cassettes and gears under the most extreme of conditions. It is also suitable as a maintenance oil for the whole bike. Bike-X-lube is slide-active and highly penetrating, repels water from metal surfaces and gets beneath moisture. It protects against rust, acts as a contact spray for electrical contacts (e-bikes) and removes any squeaks. Bike-X-lube maintains the bike's mobility with the best lubricating effects and even preserves it in extremely wet and salty air. Bike-X-lube protects against flash rust, corrosion and tarnishing. Removes grease, tar, flash rust and resin. contains no waxes and does not stick or form resin. no silicone and PTFE additives.
