Description

Powerful quick cleaner. Removes stubborn lubricant residues from bicycle and motorcycle chains, cogs, frames, rims and even between chain links without user interaction or cleaning brushes. It is neutral towards painted surfaces, chrome, aluminum, plastics and rubber. The contained anti corrosive agent prevents rust from forming. Extends the chain's performance with regular use.

- Independently removes stubborn lubricant residues
- For bicycle chains, motorcycle chains, gear wheels, frames and rims
- It also automatically removes old lubricant residues between the chain links
- Neutral towards painted surfaces, chrome, aluminum and plastics, as well as rubber and carbon
- The corrosion inhibitors prevents effectively rust formation
