to deeply penetrate and remove grease and burnt-on food residues without the need for scrubbing.

- **Strong Grease-Removal Power:** Effectively eliminates both fresh and dried-on grease, as well as marinade residues, for thorough and effortless cleaning.
- **Prevents Dirt Build-Up:** Regular use helps to prevent the accumulation of stubborn dirt, making future cleanings quicker and easier.
- **Biodegradable Formula:** Environmentally friendly, this cleaner is easily degradable and contains no phosphates, making it safe for frequent use.
- **Versatile Compatibility:** Suitable for gas nozzles, stainless steel covers, enamel grill grates, and plastic parts. Not suitable for light or non-ferrous metals, painted surfaces, or non-stick coatings.

How to Use:

1. Spray the cleaner generously onto the barbecue or grill from a short distance.
2. Let the foam sit and work for a few minutes, allowing it to loosen grease and residues.
3. Wipe off the surface with a clean cloth or sponge for a spotless finish.
4. Rinse with water if necessary to remove any remaining cleaner.

Note: Do not use on light or non-ferrous metals, painted surfaces, or non-stick coatings. Store in a cool, frost-free environment.

Special Characteristics:

- Biodegradable and environmentally safe
- Extremely economical and highly concentrated
- Developed with BBQ professionals for optimum cleaning performance

Safety Information:
