Description

Ballistol Rim Cleaner – Powerful and Biodegradable Cleaning for All Rims

Ballistol Rim Cleaner is a highly effective solution for removing stubborn dirt such as brake dust, oil, and rubber residue from rims. This advanced cleaner works automatically, foaming up upon application and even removing light rust. Its built-in color-change indicator turns violet when the cleaning process is complete, ensuring easy and effective cleaning without guesswork. Suitable for all rim types, including steel, high-gloss aluminum, multi-piece, and matte finishes. Safe to use with tire pressure monitoring systems (TPMS), and neutral towards rubber and painted surfaces.

Key Features:

- **Powerful Cleaning Action:** Removes tough dirt, including brake dust, oil, rubber residues, and light rust without manual scrubbing.
- **Color-Change Indicator:** The cleaner turns violet when its cleaning

process is complete, providing a visual cue for users.

- **Foaming Action:** The cleaner foams up immediately upon contact, enhancing its ability to loosen and remove dirt effectively.
- **Material Compatibility:** Safe for all rim materials, including steel and aluminum (both matte and high-gloss finishes). Neutral towards rubber and painted surfaces, ensuring no damage during cleaning.
- **Odor-Reduced & Biodegradable:** Formulated with a reduced odor and free from acids, making it environmentally friendly and biodegradable.
- **TPMS Compatible:** Safe to use on rims with tire pressure monitoring systems (TPMS).

Application Instructions:

1. Spray the cleaner generously onto the rims from a short distance (approximately 30-40 cm).
2. Allow the product to work for 2 to 6 minutes. The cleaner will foam up, and the color will change to violet as it removes dirt.
3. For stubborn dirt, repeat the cleaning process and use a rim brush or microfiber cloth if necessary.
4. Rinse the rims thoroughly using a powerful water jet or high-pressure cleaner.

Note: Do not allow the cleaner to dry on the rims, and avoid using it in direct sunlight or on hot surfaces. Store the product in a frost-free environment.

Special Characteristics:

- Acid-free
- Biodegradable
- Odor-reduced
- No nanotechnology

Safety Information:

- Keep out of reach of children.
- Causes serious eye irritation. If in eyes, rinse cautiously with water for several minutes and remove contact lenses if present. Seek medical attention if irritation persists.
- May cause skin irritation or allergic reactions. Wear protective gloves and clothing during use.
- Harmful if swallowed. Dispose of contents/container responsibly according to local regulations.

Ballistol Rim Cleaner offers a convenient and effective way to keep your rims clean and shiny, while being safe for the environment. Whether you have steel or aluminum rims, trust Ballistol's powerful yet gentle formula for outstanding results.
