Description

Robust cleaning cloths with bamboo fibers. Set contains 3 pieces. Suitable for fine cleaning of machines, weapon parts or use in the household. On the packaging, the Ballistol care cloths are labeled as special care cloth. However, this refers more to the special blend of the fabric. With 40% cotton, 30% bamboo fiber and robust synthetic fiber, this cloth is indeed universal.

The sturdy care cloths are absorbent, lint-free and washable. The Ballistol care cloths are suitable in the household as well as for the fine cleaning of machines, for gun care or car care.
