Description

BALLISTOL Universal Oil – The All-Purpose Solution for Countless Uses

BALLISTOL Universal Oil is the tried-and-true, versatile oil for maintaining a wide range of materials, from metal and wood to leather, rubber, synthetic materials, and even skin and animal fur. Perfect for various applications in handicrafts, industry, agriculture, households, gardening, vehicles, fishing, hunting, and shooting sports. Widely trusted by professionals in precision mechanics, tool manufacturing, and the production of scales, BALLISTOL provides long-lasting protection and care.

Key Features:

- **Multi-Purpose Protection:** This universal oil protects metal, wood, leather, rubber, synthetic materials, and animal fur from corrosion, wear, and environmental damage.
- **Metal Protection:** Creates a protective alkaline film on metal surfaces, neutralizes corrosive hand sweat and acids, and penetrates the smallest cracks and fissures. Also ideal for cleaning and shining silver and brass.
- **Leather Care:** BALLISTOL softens and preserves leather, protecting it

from drying, water damage, insects, and fungi. Neutralizes tannic acids in leather and restores elasticity, leaving a smooth, non-greasy finish.

- **Wood Preservation:** Ideal for preserving natural wood surfaces, enhancing wood grain, and protecting against humidity and insect damage, making it perfect for antique furniture.
- **Synthetic Material Maintenance:** Preserves oil-resistant synthetic materials, prevents drying out, and restores the shine of synthetic surfaces without leaving a greasy film.
- **Skin & Animal Care:** Safe for skin and animals, it's perfect for caring for animals' coats, cleaning ears, and maintaining horses' manes, tails, and hooves.
- **Weapon Care:** Cleans, protects, and lubricates firearms by dissolving powder, lead, copper, and tombac residues while preventing corrosion. It also preserves wooden stocks and leather gun slings.
- **Eco-Friendly:** Made from natural, biodegradable substances, BALLISTOL is environmentally safe. It won't age or resinify, remaining effective for years.
