Description

Schaftol red brown wood protection oil from Scherell for maintaining and protection of all naturally woods.

Naturally Wood needs regular care. Our top quality wood protection oil optimally conserves open pore wood, and thanks to the protection oil anti damp complex, protects it against weathering influences of all kind, particularly from becoming stained or mottled. Only a small amount of the wood protection oil is enough to achieve the required success. Scherell wood protection oil is only manufactured using high quality, pure, natural products according to an age old tradition and the latest techniques. Scherell wood protection oil is ideal for the treatment and the care of each naturally woods, such as furniture or antiques.

Schaftol Wood protection oil was created for one of the most demanding tasks of wood protection - the protection and maintenance of gun stocks for hunting sport and is now the leading brand of stock oils.

Polish wood to high luster with extremely fine steel wool:

Did you know that with very fine steel wool in fineness degrees 0 to 0000 wood can polish gloss or even high gloss?
