### Description

The New BCB Design All Weather Survival Match Pot: We called this "The Perfect Match" because they will not let you down!!

These All weather matches have extra-long heads to make them safer and easier to light, especially in dark conditions or in bad weather where lighting may become more difficult. They are stronger and more effective than standard matches, able to burn continuously through harsh weather such as strong win and rain.

These Survival Matches are NATO approved and come complete with a waterproof container which contains 25 matches & 3 Striker areas including one that is protected from damp, protected from the elements by the sealed lid

Our Survival Matches are hand-dipped and varnished high-quality matches for a multitude of uses from lighting candles for a romantic meal to keeping a camping trip lit.

NATO approved Hand-dipped and varnished Waterproof container contains 25 matches 3 separate striker areas.
