## Description

NATO APPROVED & A PROVEN PRODUCT - MADE IN THE UK

Ingredients used in the Tubes are the same as our current military formula. They have a 18 year proven track record with the UK Ministry Of Defence and other Allied Armed Forces, included most NATO members.

ADVANTAGES OF BCB SQUEEZABLE TUBE CAMOUFLAGE CREAM:

- Easy to apply
- Non-irritant formula
- Long-lasting
- Water and sweat-proof base
- Dries in  $\leq 5$  minutes once applied
- Gives a smooth and opaque finish
- Pigment dense; a little goes a long way
- Remove from skin with soapy water or suitable cleansing wipes
- Aroma free
- Based on natural vegetable materials - no animal products

## **ORDER CONFIRMATION**

---

- Long shelf life ☑ Stable in arctic, tropical, and desert environments
- Variety of colours available
- Supplied in robust containers
- Made in the UK

N.B. A shiny appearance may occur after the initial application of the cream, on the skin. This dulls down to a matt reflective finish in a few minutes.

OIL, NOT WATER BASED

- Long lasting
- Better resistance to rain, sweat, or water
- Better shelf life
- Better in extreme temperatures
- High concentrated, therefore better value for money
- Contains natural ingredients only
- Does NOT contain Titanium Dioxide or Iron Oxide
