Description

FireDragon SOLID or GEL the all-weather ECO FRIENDLY biofuel & firelighter. Made from UK sourced ethanol, Fire Dragon can be used in multi-fuel outdoor cooking stoves, and excellent for charcoal barbecues, as well as indoor ethanol fireplaces.

KEY FEATURES

- Quick & easy to ignite - with just a spark, lighter or match.
- Eco-Friendly - made in the UK from traceable, sustainable, naturally derived bio-ethanol.
- Non-toxic & odourless - burns CLEAN without copious quantities of noxious or toxic fumes, *unlike other firelighters*
- Constant High-Quality flame temperature - *Other Firelighter flame is very poor, especially towards the end of their use.*
- Approximately 8 - 10 minute burn time per block.
- Can be used indoors or outside in all weather conditions. Works great even when wet
