Description

The heating kits are designed to be used with and go inside Military and Humanitarian Aid ration packs

The compact ration kits include BCB's FireDragon eco-friendly and non-toxic fuel.

The 7g fuel capsules are made from aluminium which means they can double as a cooker by simply peeling the lid off and lighting the eco-friendly fuel.

The fuel capsules will heat 300ml of water from 10°C to 55°C in under 5 minutes.

The capsules are supplied with an ingeniously designed folding stove.

The stove is equipped with adjustable cup support wings and can withstand multiple folds and unfolds.

Contains:

- 1 x Folding Stove
- 1 x Gripping lever
- 6 x FireDragon Fuel tablets
- 1 x refuse bag
- 1 x book of matches (20 matches)
- 6 x water purifying tablets
