### Description

The high-quality ALPENLEDER belt completes your look with its special design. Whether you're chic in a suit or casual in jeans, an ALPENLEDER belt is always the way to go.

This belt is handmade using the traditional method.

First, the belt strap is cut by hand with a knife, then it is hand-dyed in the desired color with a cotton cloth, and after drying, it is treated with a special type of wax to seal the color. Once the wax has dried, the belt is rubbed with a woolen cloth to achieve the desired finish and shine.

Finally, the inscription ALPENLEDER is made with laser engraving. Length: 120 cm

Brend country - Germany.
