Description

Berghaus 24/7 365 U18 Hiking Backpack – Black (18L)

The **Berghaus 24/7 365 U18** is a compact and versatile 18-liter daysack built for everyday life and outdoor adventures alike. Whether you're commuting in the city or heading out for a short hike, this sleek and lightweight backpack delivers practical storage in a clean, modern design.

Made from **100% recycled 210 denier Seawastex® nylon**, the U18 combines sustainability with durability. The fabric is produced entirely from recycled ocean waste, including discarded materials from oyster farms, making this backpack a responsible choice without compromising performance.

Key Features

- **18-liter capacity:** Ideal for day hikes, commuting or travel.
- **Zippered laptop compartment:** Fits up to a 16-inch device; also suitable for a hydration bladder on the hill.
- **New side pocket design:** Durable alternative to traditional mesh that resists stretching over time.
- **Latest harness system:** Designed for improved fit and comfortable carrying.
- **Back ventilation:** Enhances airflow for comfort during movement.
