Description

Berghaus FLT Organiser Pocket - IR Stone Grey Olive

The **FLT Organiser Pocket - IR** integrates seamlessly with all FLT rucksacks, and can also be worn stand-alone as a rucksack when paired with the FLT Shoulder Harness. Designed to store life-saving medical equipment, maps, admin tools, optics, and electronic devices, this versatile organiser pocket is highly customizable to meet various operational needs. With three removable, differently configured blades, you can organize your gear for any mission. The FLT Organiser Pocket - IR is also capable of holding a military laptop, making it ideal for sniper operations.

Key Features:

- **Infrared Protection:** Specially treated fabric reduces visibility under infrared light, offering effective protection against night vision devices (NVDs) and making you less detectable in tactical environments.
- **Modular Design:** Can be used with FLT rucksacks or as a standalone rucksack when combined with the FLT Shoulder Harness.
- **Customizable Storage:** Includes three removable blades for organizing different equipment, from medical supplies to digital devices.
- **Military Laptop Compatible:** Ideal for sniper operations, the pocket can securely store a military laptop.
- **Durable Construction:** Made from Cordura 560 dtex, ensuring long-lasting durability in demanding conditions.
