Large pockets for Crusader and Centurio backpacks or for separate use as 30L daysac.

Description

Berghaus MMPS Large Pockets II Backpack Side Pockets (2 pcs.)

The **Berghaus MMPS Large Pockets II** are versatile side pockets that integrate seamlessly with the Berghaus Centurio, Crusader, and Vulcan rucksacks. They can also zip together to form a 30L daypack, making them highly adaptable for different mission requirements. Designed for winter operations, these large pockets provide easy access to essential items like warm jackets or stoves without the need to open the main pack. The MMPS system offers exceptional flexibility and modularity to accommodate various operational needs.

Key Features:

- **Modular Compatibility:** The MMPS Large Pockets II are compatible with BMPS, FMPS, MMPS, and SMPS side zippers, making them easily attachable to multiple rucksack systems.
- **Convertible to Daypack:** These pockets can zip together to form a 30L daypack, offering an alternative carrying solution for shorter missions.
- **Removable Straps:** Comes with removable shoulder straps and a chest strap for convenient standalone use.
- **Durable Fabric:** Constructed with Armadura 1000D fabric, ensuring strength and durability in harsh environments.
