Super tough Military
specification daypack with
internal frame for load
support.

Description

Berghaus Tactical MUNRO II – IR Army Backpack, 35L, SF CAMO

A super tough military-spec daypack with an internal aluminium frame for load support. Made with infrared (IR) coated fabric for enhanced protection against night vision detection. Ideal for tactical operations and demanding environments.

Key Features

- **Waistbelt:** Yes
- **Frame:** Internal, removable aluminium frame for load support
- **Opening:** Top
- **Fabric:** Armadura 1000D
- Padded back panel for extra comfort
- Top lid pocket for quick access items
- Four accessory attachment points with shock cord

Infrared (IR) Protection

The backpack is made with a special infrared-coated fabric, which reduces its visibility to night vision and infrared detection devices. This is crucial in military and tactical operations where low visibility is required.
