Designer Background

The Acutus was designed by **Grigorii Matveev**, a professional knife designer with over 20 years of experience. Born in Russia and trained at the **Stieglitz State Academy of Art and Design in St. Petersburg**, he is known for combining innovation with practicality. His designs often merge unique shapes with high functionality, aiming to create knives that are both **beautiful and reliable everyday tools**. Matveev has successfully collaborated with leading knife brands worldwide, including in Italy,

About Black Fox

Black Fox, a brand by Fox Knives, provides **affordable yet high-quality knives** designed for **EDC, bushcraft, hunting, and outdoor use**. Known for their **Italian craftsmanship, functional designs, and excellent price-performance ratio**, Black Fox products are trusted worldwide by professionals, collectors, and adventurers alike.

Glossary of Terms

- **D2 Steel:** A high-carbon, high-chromium tool steel known for excellent edge retention and durability, often used in premium knives.
- **PTFE Coating:** A non-stick, corrosion-resistant coating (similar to Teflon) that reduces friction and reflections.
- **G10 Handle:** A fiberglass-based laminate material, highly resistant to moisture, chemicals, and impact, offering a secure grip.
- **Flipper Mechanism:** A small tab on the blade's spine that allows rapid one-handed opening with a push of the finger.
