Package Contents

- Black Fox Spear folding knife

FAQ

Is the Black Fox Spear suitable for everyday carry (EDC)? It is suitable for everyday carry and daily cutting tasks.

What are the advantages of D2 steel? D2 steel is known for strong edge retention and good wear resistance, making it suitable for utility knives and outdoor use.

Is the handle resistant to outdoor conditions? The handle is resistant to moisture, temperature changes and mechanical stress.

Where is the knife manufactured? The knife is manufactured in Maniago, Italy by FOX Knives and manufactured by a selected partner manufacturer in PRC.

Glossary

- **D2 steel:** A high-carbon tool steel known for excellent wear resistance and edge retention.
- **G10:** A fiberglass laminate composite material widely used for knife handles due to its strength and resistance to moisture.
- **Satin finish:** A blade finishing technique that creates a smooth matte appearance with subtle directional lines.

GPSR Safety Information

This product contains a sharp cutting edge. Handle with care and keep out of reach of children. Use the knife only for its intended purpose and store it safely when not in use.
