Description

The exceptionally slim and elegant lines of the Boker Plus Gent-X mark it as a true-blooded gentleman's knife. The titanium handle has an orange-peel finish and a striking diamond check on the front. A titanium clip (tip-up) is on the back. The blade with its characteristic bump has a sophisticated two-tone finish, ball bearings and a flipper to open it.

Böker Plus

In close cooperation with international acknowledged experts from military, police and security we develop and test tactical knives for the professional user. Boker Plus knives are innovative in terms of function and design, as well as guaranteed for everyday use. Conception, design and construction are carried out in Solingen, and production takes place in Europe, the USA and Asia.
