Description

Unpretentious, with attention to detail. Overwhelming performance, with hidden potential. Perfect control, slowed down by a noticeable forward momentum. The Boker Plus M.E.R.K.1 by Vaeringi Design is a go-getter, with a direct approach and a self-confident appearance. The tactical pocket-knife is equipped with a massive clip-point blade made of D2 for maximum cutting performance in all conceivable cutting tasks, has an elegant satin finish and decorative ricasso included. Lightweight, textured handle scales made of black G10 guarantee a secure grip even when wet, while the hand never wants to let go of the ergonomic, comfortable handle. The flipper opening and the stable linerlock provide for a safe feeling and contribute significantly to the easy use of the knife. The M.E.R.K. 1 is always available at any time thanks to the convertible, extravagant deep-carry clip (tip-up), the practical lanyard hole for attaching lanyards and the glass breaker made of tungsten carbide at the end of the handle. Supplied with a good portion of thrills and a high-quality nylon case for storage.

- Overall length: 21,8 cm
