Description

The knives by DJ Urbanovsky have become fixtures in our program. His designs are always strongly influenced by his striking style, while always taking the knife's intended use into consideration. With the Boker Plus M92, the knifemaker from Nebraska is presenting his first purebred dagger. The typical handle design clearly shows his signature style, and the milled logo gives the G10 scales of the M92 knife a secure grip. The partially coated 440C blade is double-edged and very sturdy thanks to its generous thickness. Comes with a versatile Kydex sheath.

Overall length: 26,4 cm Blade length: 13,8 cm Weight: 261 g Blade thickness: 6,4 mm Blade material: 440C Handle material: G10 Designer: DJ Urbanovsky

Böker Plus

In close cooperation with international acknowledged experts from military, police and security we develope and test tactical knives for the

ORDER CONFIRMATION professional user. Boker Plus knives are innovative in terms of function and design, as well as guaranteed for everyday use. Conception, design and construction are carried out in Solingen, and production takes place in Europe, the USA and Asia.
