### Description

HIDEOUT THERMO camo - Multifunction bivy bag that protects you against cold, wet, and insects. It is also a rain poncho a hammock sock and a tarp. Key features - built-in mosquito net, waterproof zippers and a thermal insulation layer - weight only 0,6 kg.

HIDEOUT is much more than a simple bivvy bag or camping shelter - it is the gear dedicated to sleeping on the ground and in a hammock, irreplaceable when walking as a rain poncho.

A number of innovative solutions make it a great, lightweight system, which is a perfect hideout against cold, moisture, and insects.

Properties:

- Detachable hood with mosquito net (1mm eyelets)
- Waterproof zipper
- Internal heat-reflecting layer to maximize thermal comfort
- THERMO layer reflects UV rays at 98%, which qualifies it at the highest UPF50+ level.
- Expanders included.

Multifunctional survival shelter:

- Can be used as rain poncho with unique features.
- Can be used as bivvy bag, when zipped all around, i.e. a sleeping bag
