Description

Bushmen ULTRALIGHT – Hammock Suspension System

The **Bushmen ULTRALIGHT Hammock Suspension System** is a complete, lightweight solution for hanging your hammock outdoors. Designed for minimal environmental impact and maximum practicality, this set allows quick, secure, and tree-friendly installation without damaging bark. Perfect for *ultralight travelers, campers, and nature lovers* who follow the “leave no trace” principle.

The system includes **tree huggers**, **PRO whoopie slings**, and **ultralight carabiners**, all packed in a compact carry pouch. Together, they ensure easy adjustment, strong support, and versatility for any hammock setup.

Key Features

- **Tree Huggers:** Two straps (2 m each) with 5 loops on one end and 1 loop on the other for adjustable wrapping without harming trees.
- **PRO Whoopie Slings:** Adjustable moving loops for tension and leveling. Equipped with hooks for hanging additional gear.
- **Ultralight Carabiners:** Weigh only 21 g each, smooth rounded edges prevent tangling and snagging.
- **Flexible Setup:** Multiple ways to connect hammock to straps and slings, suitable for hammocks with or without carabiners.
