Description

If the rifle shot is too risky for the dogs, the use of a solid boar catcher is essential. Reliable full tang construction with wide stainless steel guard. Double edged 440C stainless steel blade. Rugged nylon sheath with belt loop and push button latch.

We have developed the Magnum Hunting Line so that the indispensable knife is a piece of equipment that the hunter does not have to worry about during the hunting experience. For this purpose, we have drawn on the entire experience of the hunters among our business partners, customers and employees.
