Description

The Camillus KETO Folding Knife is one of our classic folding standbys. The 3-inch 420 stainless steel blade is bonded with Titanium that resists rust, corrosion, and is up to 3x harder than untreated steel so the blade stays sharper far longer than untreated blades. The G10 handle donned by the KETO is impervious to moisture or liquid and offers exceptional physical stability under rapidly shifting climate conditions. At 8" overall, this knife provides a long and slender blade for slicing and making expert cuts. With deep blue accent bolts along the handle for a striking finish, you can have the best of utility and style with the KETO.
