Description

The Camillus TRC was designed to be both rugged and striking in design. It features a titanium bonded VG10 stainless steel blade that has been polished to a mirror finish. The handle is accented with carbon fiber scales that have been CNC'd for a truly ergonomic grip. The knife opens by use of either the dual thumb studs or the finger flipper. The fulcrum features dual ball bearings for a smooth open. At 3.75" in the closed positions this makes for an extraordinary EDC, when opened the overall size is 6.75" with a 3" drop point blade.

Features:

- Blade Treatment: Titanium Bonded
- Blade Color: Silver
- Blade Edge: Smooth
- Blade Grind: Hollow
- Blade Style: Drop Point
- Pocket Clip
- Handle Color: Black/Silver
- Handle material: Carbon Fiber + Stainless Steel
- Hand Orientation: Left and Right
- Lock Style: Liner
- Main Blade Material: VG10
- Rockwell Hardness: HRC60
- Lifetime Warranty
