Description

We have created a universal shelter cape for bivouac-goers. 19 attachment points provides for about an endless choice of possible configurations for all terrains and climes. To keep it lightweight, we made it out of plasticcoated ripstop fabric. Reinforced attachment points and glued seams guarantee durability and sealing. The zippered cover allows allows easy packing, even when wet. Eight ribbons allow to cinch the cover to the backpack, saving the internal capacity. The drawstring-compressed bad enclosed with the tarp allows to compact it for transport.
