Carson Optics was founded in 1990 by Richard Cameron. With over 29 years experience in the optics industry, Carson has dedicated a team of engineers whose sole mission is to improve the customer experience. The company's product line has grown exponentially to encompass a broader range of products and accessories that reflect the needs of its client base. Carson's commitment to excellence is the foundation of the company. As the number one manufacturer of US magnifiers and one of the leading suppliers of binoculars, Carson's entire product line consistently boasts first-rate quality at affordable price points.
