Description

The Stuff-It™ Pro, SN-80GR (green) microfiber lens cleaning system is a safe, easy and effective way to clean all types of lenses, screens and glass surfaces. It features a super-soft, microfiber lens cloth housed inside a protective pouch. The ultra-soft, yet tightly woven microfiber cloth will clean smudges and fingerprints!

To use, simply squeeze the ends of the pouch and pull the lens cloth out to use. When not in use, simply "stuff" the cloth back into the pouch. The protective pouch will keep the cloth clean and dry so it will always be ready for use. The Stuff-It™ is compact, lightweight and extremely portable. The Stuff-It™ fits easily in your pocket, camera bag, binocular case or use the attached hook to clip it to your jacket. The Stuff-It™ is ideal for cleaning binocular lenses, spotting scope lenses, telescope lenses, camera lenses, smartphones, tablets, eyeglasses and more. Care: Hand wash <u>CLOTH</u> only with mild detergent.

Brand country USA. Made in P.R.C.

Carson Optics

Carson Optical was founded in 1990 by Richard Cameron. With over 29 years experience in the optics industry, Carson has dedicated a team of engineers whose sole mission is to improve the customer experience. The company's product line has grown exponentially to encompass a broader range of products and accessories that reflect the needs of its client base. Carson's commitment to excellence is the foundation of the company. As the

ORDER CONFIRMATION number one manufacturer of US magnifiers and one of the leading suppliers of binoculars, Carson's entire product line consistently boasts first-rate quality at affordable price points.
