Description

VX Series 8x33mm HD Full Size Anti Fog and Waterproof Binoculars VX-833

- High Power - These powerful binoculars possess 8x magnification with a 33 mm objective lens, allowing for a large field of view and stunning clarity. Perfect binoculars for bird watching or hunting.
- Anti-glare and Clear Image - Fully multi-coated lens to help reduce glare while viewing. Built with fully multi-coated dielectric BAK-4 Prism glass to provide clearest image possible. Phase correcting coatings are applied to these prisms to ensure accurate color balance and fidelity while also producing more color and detail in backlit or silhouetted objects of focus, providing high-definition images.
- Binocular Accessories - The VX-833 includes a binocular case, binocular neck strap, case strap, protective lens cap, and microfiber cleaning cloth with purchase to increase portability, convenience, and usability.
- Durable & Waterproof - These lightweight, full-size, fog proof, and waterproof binoculars possess a IPX6/JIS Class 6 rating, and a nitrogen filled interior, providing high resistance and durability in a large variety of weather conditions and physical activities.
- Universal Use - The light weight, high durability, and high performance of the VX-833 make them the perfect binoculars for hunting, birding, camping, hiking, safaris, sporting events,

concerts, and outdoor adventures in various weather conditions.

Now available, the newest addition to Carson's VX Series binoculars. Boasting a powerful 8x magnification, these newly engineered binoculars synthesize robust magnification power with crisp image quality to deliver an unmatched viewing experience. With a patented multi-coated design, these binoculars work to minimize light reflection while BAK-4 prisms provide unparalleled clarity, making them perfect binoculars for bird watching or outdoor recreation. Designed with physical activity in mind, these waterproof binoculars are nitrogen filled to help them resist dirt and water, helping them to be your best binoculars for hunting. Comes with binocular case, neck strap, and case strap. Learn about the new VX Series binoculars today.

Carson Optics

Carson Optical was founded in 1990 by Richard Cameron. With over 29 years experience in the optics industry, Carson has dedicated a team of engineers whose sole mission is to improve the customer experience. The company's product line has grown exponentially to encompass a broader range of products and accessories that reflect the needs of its client base. Carson's commitment to excellence is the foundation of the company. As the number one manufacturer of US magnifiers and one of the leading suppliers of binoculars, Carson's entire product line consistently boasts first-rate quality at affordable price points.
