Description

Casio G-SHOCK GD-350-1 Digital Watch

Vibration Alert for Extreme Conditions

The **Casio G-SHOCK GD-350-1** is engineered for tough environments, offering a unique vibration alert system for silent notifications. Designed for tactical missions, outdoor adventures, and daily use, this shock-resistant watch provides high-performance features, including a countdown timer with vibration or LED flash alerts, a world time function, and a powerful Super Illuminator LED backlight.

Key Features:

- **Shock Resistant:** Built to withstand impact and rough conditions.
- **Vibration & Flash Alerts:** Select between silent vibration or LED flash for alarms, countdown timers, and hourly signals.
- **Super Illuminator LED:** High-luminance backlight with automatic tilt activation.
- **World Time:** 35 time zones (100 cities + UTC), daylight saving on/off.
