### Description

The Chiruca Boxer Boa GORE-TEX boots are thought up to the smallest detail designed with materials and construction systems that allow a very high technical performance. The GORE-TEX membrane provides high waterproofing, breathability and windproof effect and the anatomical insoles ensure extreme comfort.

Characteristics:

- Scotchgard waterproof nubuck leather
- Water-repellent nappa
- Boa locking system
- Perforated collar
- Gore-Tex® Performance Comfort lining
- Sole Vibram Black Forest
- Weight: 731 g

Technologies:

- GORE-TEX

Products made from GORE-TEX fabric provide maximum comfort and protection in a wide range of activities and weather conditions. The GORE-TEX membrane resists water and wind to guarantee maximum impermeability, but at the same time allows the foot to breathe. How do you get it? Thanks to the membrane with pores that are 20,000 times smaller than a drop of water, but 700 times larger than a molecule of water vapor. Thus, the water cannot enter, but the skin can breathe. Each membrane is tested and tested in the
