Description

This 3-piece food container set from Clauss keeps your cooked food fresh when frozen. You can even use them for storing and reheating food.

- Handy glass food containers: These food storage containers are perfect for freezing, storing and reheating food. They will keep the food fresh and maintain flavours.
- Airtight lid: Their lid is designed with a soft plastic edge, which makes the food storage container totally airtight. They are also easy to open thanks to the sturdy lip on the side of the lid.
- Food-safe containers: They are suitable for use in the microwave, dishwasher and freezer, and also food-safe. The microwavable food containers are resistant to temperatures of between -20°C and 330°C.
