Description

The 7" Ti Bent Snip is ideal for making precise, curved cuts through even the toughest materials without overexerting yourself. Featuring robust, titanium bonded, serrated blades that are 3x harder than stainless steel, the Ti Bent Snip will grab hold of any material with ease and make powerful, efficient cuts without compromising accuracy. The titanium bonding treatment also provides enhanced resistance to adhesives and corrosion that may be present/may come from the many materials the snips can cut. Specialized, comfort grip handles are also included to reduce hand fatigue and extend your cutting endurance. Great in the home, office, or workshop, the 7" Ti Bent Snip would make a fine addition to any toolbox.

- Titanium Bonded, serrated blades are 3x harder than Stainless Steel and stay sharper longer
- Resists adhesives and corrosion
- Comfort grip handles
- Bent
- Great in the home, office or workshop

Brand country - U.S.
