Warm wrist gaiters made from Power Liner fabric reducing drafts. Use on their own or as part of a layering system.

1-4 Weeks

Description

Warm wrist gaiters from extremities. These handy pieces of kit are designed to fit snugly under your gloves bridging the gap to your sleeve and improving the warmth in your hands by insulating your wrist. These cuddly pieces of kit can also be used on their own in less extreme weather. Once you've tried them you won't want to take them off!
