Description

50 mm-wide outer, tactical belt designed to carry basic equipment for Mil/LE operators, such as magazine/baton/flashlight/radio pouches and gun holsters. The belt can be quickly released but never by accident - thanks to a special three-point Duraflex@buckling system. The inner side of the belt has a cell system additionally stabilizing the magazine pouches and preventing them from shifting along the belt. Comes with simple inner belt to stabilize the main duty belt system. WARNING: NOT A CLIMBING OR LIVE-SAVING EQUIPMENT! Features:

- Exterior, duty belt
- Inner duty belt
- Duraflex[®] buckle with Quick release system
- Special buckle design prevents accidental unbuckling
