Description

After the great success of our Swagman Roll, weve created a basic, more budget friendly version. Made the same way as the classic M65 liner, the Swagman Roll Basic will keep you warm during sudden cold snaps. Thanks to long zipper, it can easily be transformed into an improvised sleeping bag, while numerous anchor points will help you create a comfortable additional heating layer for you hammock. An adjustable hood and buckled front will create a poncho-style coverall, protecting you against hypothermia.

Features

- Thick winter padding
- Emergency jacket
- Sleeping bag or sleeping bag insert
- Blanket or quilt
- Made of Polyester
- Designed in cooperation with Survivaltech
