### Description

Once upon a time, the trappers, the trekkers and even the soldiers did not carry sleeping bags. They carried blanket rolls. Up until very recently, wool was the best blanket material. Then, still several decades ago, Nylon fabrics came into being. During the Vietnam War, there appeared a new blanket - the Poncho Liner. Ultra lightweight blanket doubling as warming liner for rain-protection poncho.

In Australian slang 'swagman' means a travelling workman. Something like American cowboy or a trapper, occasionally on a lookout for a work on the Frontier. The difference was, the Australian swagman traveling on foot, and carried all his belongings in a bed roll. With our Swagman Roll® we salute these intrepid men, trembling on chilly mornings in their moist blankets - but with our Swagman Roll® you'll never have to emulate that particular part of their lifestyle. It is made of thin Nylon fabric, filled with one of the best insulating materials mankind ever dreamed of - the Climashield® Apex™.

Swagman Roll® is not your ordinary blanket. It is more of a multifunction tool, applicable wherever a warm cover is required. You can use it a poncho
